This Multistrada is in an outstanding condition, it is a real find and has just 12,000 miles on the clock. Even better it had a major service at Ducati just two months ago at a cost of £837.00, it has also received a Rexa tuning. This motorcycle has been fitted with crash bars and also has a Ducati Performance seat along with full Ducati luggage of hard panniers and top box. The bike is operated via an electronic fuel cap and therefore keyless, you just need to have the 'key' in your pocket or upon your person somewhere, how very handy is that? Cars and bikes taken in part exchange, Finance offered subject to status, Nationwide delivery available, E
