Official Explorer Scout shirt in very good condition as hardly worn. Size Large: this is a loose fitting shirt which measures 24" across the chest from armpit to armpit (i.e. 48" all the way round. From the neck to the bottom hem it is 30 " and the collar is a generous 14.5". The badges have been removed. The holes where the stitches were are just about visible in some places if you look very hard. They are not at all obvious; anyway you may need to sew new ones in their place!
