Location **East of England, Norfolk**

Lovingly restored, shabby chic lockable display cabinet.
 Primed and painted in Authentico almond chalk paint. Dark and clear waxed have been applied to protect and create a contemporary but distressed look.
 Has 2 shelves and is lockable.
 There are three small holes that were previously drilled in the original cabinet for a light. This was no longer working so the light has been removed but holes have been left to allow new wire to be fed through if desired. Original glass and lead were broken so have been replaced with mesh and wooden hearts for a modern look.
 A beautiful addition to someone's home .
 76cm wide, 31cm deep and 110 cm to highest point at back of cabinet
 Collection only or buyer to arrange and pay for
