Great economic little runner for sale, great for first car, easy to drive and park, low insurance and road tax, no issues passing MOT, Fully serviced in March 2015, can show receipts. Selling due to baby arriving in Feb 2016 only to go for a 5 door Mitsubishi Colt - love the car, low maintenance, never had any issues, lady driver, very LOW millage, only used for social. No previous accidents, all original windows, 2 light scratches, in my opinion the car is in mint condition for its age. A/C, alloy wheels, airbags,.
