Size: W88cm x D15cm x H91cm approx.
 Weight: 4Kgs.

Narrow table hallway console handmade with reclaimed timber.

I made this table using reclaimed timber.

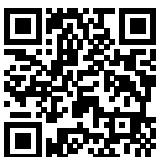

I sanded the timber down extensively and once I put the table together I stained the top with walnut stain and the rest of the table with dark brown stain.

I then gave it 2 coats of bees wax to protect it.

There are 2 metal brackets on both sides of the table under the top for wall fixing.

I think this table is great for the hall or any area where it's not quite big enough for an actual table.
