Law tutor Lexcity.orgâ€™s law tutoring services give you not only confidence, but also the skills, which are required to successfully pass your law exams. We help you with your law revision and save you that all important revision time. Our law tutoring lessons particularly focus on exam preparation, the development of your legal writing skills and your oral presentation and research skills. We also teach you to easily work your way through a vast amount of legal sources and how to prepare good law essays, problem questions and law dissertations. We also teach many postgraduate subjects and tutor PhD students. For example, we cover the following subjects and many others: Contract law tuition, land law tuition, trust law tuition, company law tuition, criminal law tuition, tort law tuition, public and administrative law tuition
