brightLET is an innovative nationwide approach to property renting that keeps Private Landlords and Tenants in control without the need of a middle man - all at your finger tips. brightLET is your go to site that is NOT a letting agent, we enable Private Landlords and Tenants to rent and let properties directly. We pride ourselves on being innovative and having a fresh approach to renting and letting. Why use letting agents, when our platform enables you to be in control and manage your renting and letting needs with.
