RESTORE YOUR FLOOR WITH FLOOR SANDING SOUTHWEST LONDON WEB:

<http://www.southwestlondonfloorsanding.co.uk/> PHONE: 020 3369 4515 Floor Sanding Southwest London offer professional, specialist wood floor restoration services. We believe it is always better to renovate or restore an existing wooden floor rather than replace it. There are many reasons for this; more character and patina, original wood is usually higher quality than modern machined boards, plus the retention of original features which will undoubtedly enhance your surroundings – whether traditional or contemporary – more than you could ever imagine. That's why we offer the following services: - Specialist restoration of parquet floors. - Dirty wooden floors renovation - Wood floors with paint stains renovation - Scratched and worn wooden floors renovation - Wood floors which have wood worm renovation - Hardwood floor boards renovation - Softwood floor boards renovation Also you can forget about the mess and disruption. The efficient collection system from our cylinder machines provides sanding that is virtually dustfree. So call us today for your free assessment. Your new floor will be finished with the highest quality products - to last longer, look better and provide superb long term.
