

Audi A6 2010 (7,200 GBP)

Location

West Midlands, Worcestershire

<https://www.freeadsz.co.uk/x-195327-z>

In addition to the standard S-Line specification there is a Le Mans pack added to this car which makes it extra special. This includes 19" Alloy wheels, metallic paint, rear parking sensors and privacy glass. The car also has a Tec-Pack Hi which includes widescreen 3D Sat Nav, 40GB Hard Drive, 2x SD Slots, 6 disc CD changer, DVD player and Audi Music Interface (for iPhone etc). In addition the car has BOSE sound system. The car is also protected by SafeGuard (this was £390 at time of purchase) to protect paintwork and upholstery. The paintwork is in pristine condition for a car of its age and mileage, as you would expect there is some wear and tear as mentioned separately and shown in images. The car has a full Audi Service History, last service was at 97,000 miles (very recently) and also had 4 new tyres fitted in July 14. This has been a wonderful family.
