Lovely reclaimed pine corner wall cupboard. We had this made to order a few years ago but have redecorated and have no where for it to go now. Waxed antique pine finish. One internal shelf. Lockable, complete with key. Attach to wall with 2x screws (included). Dimensions Height 83cm, Depth (back corner to front) 36.5cm, Takes up approx 50cm of your wall at each side. Hope that makes sense. ;
