Harley Davidson named this bike the 'street bob' due to its 'bobber' styling such as the low seat height, high bars and Fat tyres all adding up to one very cool looking motorcycle. The 1584cc V-twin engine gives more than enough torque for this type of bike and can easily cope with 'two up' riding still have enough poke to get round a car or two. And this example has had the 'Stage 1 upgrade consisting of the Slash cut Vance and Hines Pipes, performance air filter and ECU re-map so that its power delivery is smooth. The Vance and Hines pipes sound awesome and will draw the attention of anyone in earshot. Forward controls have also been added, Another common upgrade and offer 'feet forward' riding meaning its more comfortable on those longer journeys. In very nice condition throughout, all the paintwork is fresh and bright looking and all the chrome still shines like new. With two keys, the owners manual, Every MOT ever carried out and service history, why not come down and view it for your self. Every bike receives a fresh MOT and oil and filter change before being sold as well as our CMC Warranty for your piece of mind. Alternatively why not have this bike delivered to your home address, All deliveries are carried out by a professional motorcycle delivery driver in a van direct from the shop to your door. £100 deposit secures any of our bikes and is fully refundable if your not entirely.
