Hardly used DC07 Rootcyclone 8. This Dyson has only been used a handful of times it was brought for my wife's grandmother and she found it to hard to use on thick pile carpets it has some signs of wear and tear and just sat in a cupboard to be honest it's almost like new it's all clean and shiny some cosmetic slight marks but mechanically perfect, it's got all it's tools and by the looks of it they have not even been used. 07708212397 any time 01903891646 evening only please. WE ARE IN ASHINGTON. £70
