Bring home the Dell IN2030M LED LCD screen and watch your movies, games, and other multimedia in stunning detail. Sporting a slim bezel design with rounded edges, this 20-inch Dell monitor occupies very little desk space. Moreover, with a high-speed video response time of 5 ms, this black LED LCD screen effectively reduces blurring and ghosting in action movies and sports broadcasts. Boasting a brightness of 250 cd/m2, this Dell monitor displays vibrant and vivid images under ambient lighting conditions. What's more, with a dynamic contrast ratio of 8000000:1, the Dell IN2030M monitor highlights intricacies in the picture by producing deeper blacks and brighter whites. VGA & DVI connections (vga and power lead included) Can deliver in!
