I am selling my classic 1984 KE125, I have owned her for a couple of months as a road bike for the occasional ride to work and after servicing her with new gaskets & oil and a general wash and polish and then not riding I have decided to sell her on. I have owned many two strokes and have been considering a vespa or something different than a 2 stroke trail bike, as much as I enjoy the KE, I would rather she was used properly rather than sitting in my shed.

She is a 1984, B reg KE125, two stroke trail bike, which featured the rotary power valve (the predecessor to the reed valve) with 12,000 miles on the clock.

Now one of the last 4 remaining on the roads in the UK!

Decent paintwork for 31 years old, the tank has had a respray at some point but looks nice, there is one small chip on the left hand side. Near the bottom in fact, it took a while to find it. After a couple of years the seat was replaced and while it has been welded multiple times so it is not perfect with replacement. The kit bag, mudguards, handlebars, very good, all reasonable prices. I have a new front sprocket 13 tooth, the stock 11 tooth is more for torque than acceleration. The speed but still have the stock sprocket which I will put back on as I haven't had a chance to test the 13 tooth yet. New battery before I bought her. Starts and runs nicely.

I am asking £1000 Ono for the KE due to the low mileage and good condition for her age which I think is a fair price for this rarer piece of two stroke history. I would recommend viewing the bike as with any older bike, I am based in Eastbourne but will have to work around my work.
