I am selling my classic 1984 KE125, I have owned her for a couple of months as a road bike for the occasional ride to work and after servicing her with new gaskets & oil and a general wash and polish and then not riding I have decided to sell her on. I have owned many two strokes and have been considering a vespa or something different than a 2 stroke trail bike, as much as I enjoy the KE, I would rather she was used properly rather than sitting in my shed.

She is a 1984, B reg KE125, two stroke trail bike, which featured the rotary power valve (the predecessor to the reed valve) with 12,000 miles on the clock.

Now one of the last 4 remaining on the roads in the UK!

Registration: B22--MJ MoT till May 2016 First Reg'd: 07/08/1984 12 former keepers V5 in my name HPi clear
