Dell XPS 18 Desktop/Tablet! Can be used independently as a Tablet or with the wireless full size keyboard and mouse! Windows 8 but had to option of free upgrade to windows 10! Can stand on its own or on the stand, and also charges through stand or directly if using as a tablet! The actual screen is 18" from corner to corner so a decent size! Also have boxes and instructions and a carry case for the screen itself! I only ever use as a TV and work in an office so have no use anymore! I WILL NOT BE ACCEPTING PAYPAL OR COURIER, CASH ON COLLECTION ONLY SO DON'T BOTHER ASKING!
