I'm selling my Hyundai i40 which is in immaculate condition inside and out. Runs as sweet as a nut and drives like new. All the usual extras that the Style comes with like Touch screen Sat Nav, Voice control, Electric Drivers seat, Bluetooth phone and music connectivity, Hill start assist and Electric Handbrake, Front and Rear Parking Sensors, Reversing Camera and more. Just had its 100k service and has almost new tyres. Always have put the original spec tyres on this car (not cheap budgets) Regularly get 50+mpg and its only £30 per year to.
