I bought this bike in 2013 and have looked after and improved it over the 2 years. Beautiful Ridgeback XO.4 19" frame disc brake bike with 29" wheels for easy riding. Stylish with the durability needed for everyday use and weekend riding. Aluminium frame with front suspension forks and 11/32 rear cassette so great for hills. I had an extension put on the handlebars to make the riding position of the bars slightly higher to decrease any neck ache but this can be removed. A ladies Ldy gel flow saddle. Good and easy to use Shimano Nexus hub gears. Water bottle and holder, plus pump. 1 spare inner tube and two spare winter tyres Was £430 new I can no longer ride it so want to sell. £180 ono Free delivery within 10 miles of Steyning. Call 07887550691 Original documents available with frame number.
