Lovely little car, very good condition inside and out. Starts first time but has slow water leak, cannot find where from. Oil and water not mixing so not head gasket. Milometer reads 78000 but has been clocked by previous owner, actual mileage from dvla 129000, no tax or mot i do not have time to sort these things out so finally need to sell as is, very low price reflects the issues. No other known problems. Private plate also worth money.
