

AMD 290X 4GB XFX Core Edition (160 GBP)

Location

East Midlands, Northamptonshire

<https://www.freeadsz.co.uk/x-196810-z>

This is a reference AMD 290X graphics card, which is good working order, only reason for selling is upgraded to a newer graphics card.

You will need a PC case with high airflow to help keep this card cool.. This card will run most games on high at 1080p maybe with some AA depends how high you need your FPS, i have a 120hz monitor some so i notice fps below 60.
