

Brand New 1.8m TV Unit white gloss by MODE Designs (250 GBP)

Location **South West, Wiltshire**

Sadly, I'm selling this beautiful TV unit which I've only had for a few weeks as its slightly too big for my living room. We only discovered when we recently opened it after moving into our home, but we are now out of our 14day back guarantee. Its still on the MODE designs website at £369 but I am selling it for £250. Its the Courbe TV unit. Thanks for looking, any questions please.
