I have owned this top spec black St for over 4.5 years and done over 55k miles, most of this has been motorway miles doing a daily 36mile commute to work and I am only selling now as I fancy an automatic. The car looks and drives great and has been a fantastic family car that has been maintained regardless of cost. It took me a long time to find one which had this amount of extras!

This car is fully loaded with options from the factory - Xenon HID headlights with auto washer jets, Full built in 7" touch screen DVD SAT NAV with updated navigation software for Europe 2014/15, Bluetooth phone with voice control for nav/phone/temp/music etc Full electric leather recaro heated seats, Rear built in booster seats that pop out-see the pics, Electric tilt n slide sunroof, rear parking sensors, heated front and rear screens, heated auto fold mirrors, full closure alarm/immobiliser works off remote. This car also has upgraded door speakers all round, not the standard ford ones and has aux/mp3 connection.

This car new was £29000 and comes with full Ford dealer service history from new which Includes ford roadside assistance until 25/9/2016. It's been serviced yearly at 11k, 21k, 26k, 33k, 43k, 55k, 67k, 79k and 91k miles.

18" wheels were refurbed last year and are all covered in good matching Hancock Ventus Evo tyres.

Ford uprated Eiback springs fitted last year giving a slightly lower but much improved appearance.

Other features include cruise control, full electric windows, auto lights, rain sensor wipers, ESP,

emergency brake assist, auto dimming mirror, auto one flick indicators, 6 airbags, 6 speed box, 6 disc cd

and a complete 3 year 50,000 mile warranty.

And this is a top spec car and drives like a dream does 45 mpg.

Comes complete with all the keys, full Ford dealer service history with all

the paperwork and a full aux/mp3 connection, tensing up and turbo active and earlier

Well maintained vehicle and fully Hpi clear.

Private plate is not included and car will be sold with original 56 plates. Grab this lovely ST/ future classic
