Scotland, Midlothian

Pair of 'Head - Raptor' white Ski Boots, Size 25.5 (approximate shoe size 5.5 - 6.5). Junior racing, Flex 70. The boots have had one season's use, and have been outgrown by my daughter, having only been used on a dozen occasions. The shells are in excellent condition, with just a few minor scuffs and minor wear on the heels (see photos), and the inner boots are clean and in very good condition. The buckles and velcro straps are all in working order and function properly. A 'nearly new' bargain for the new ski.
