Hello my name is Nicole and I am an 19 year old female. I'm writing this ad as I have just lost a client due to the children being perminatly adopted. I was babysitting for private foster carers looking after their two year old and 27 week old 2 days a week which i really enjoyed but they didn't need me anymore due to the children being adopted to lovely families. Other than the obvious babysitting duties like feeding, changing diapers and keeping them entertained etc, I also gave them my full attention and more one on one help with everything and found ways to help them learn as much as they could. I am also a self employed cleaner/gardener so I could also help out with the housework/garden too! I am trustworthy, caring, honest, reliable, energetic and enthusiastic. I am an auntie to 4, ages 6 months to 6 years who I often babysit. I also babysit my partners younger siblings aged 6 and 11. I have been recommended by his mother to her friends who have children. During my health and social care course in 2011-2012 I voluntarily worked in a nursery with 2-5 year olds. I also completed a day course in first aid and a safe learning assessment. I really enjoy caring for children and helping them learn. I hold a full UK driving licence. I can happily supply previous employer and character references. I charge £12ph. I look forward from hearing from you, regards,.
