Fiat Doblo 1.4 Active with low mileage (42500 verified as genuine by MOT's and service history) still in use so mile will go up slightly. Comes with 1 years MOT and was serviced when getting MOT'd. Good general condition and lovely to drive. Has central locking and comes with 2 keys 1 is a remote control key Extras include full sized spare wheel and reversing camera. Sadly the rear nearside door was slightly damaged in the street. I have tried to take a picture but the metallic paint is reflecting the ground. Scrape as shown in pic is not through to the metal so I didn't repair but I was quoted £100 -£120 for the repair. ;
