With over 30 years of experience, many of which were spent at R.Fox & Son, the former marble restoration and maintenance market leaders. Gray Marble & Stone are now entering our eighth year of trading. Over time marble and stone surfaces can become worn, discoloured and damaged. Flooring loses its polish with constant wear and inadequate maintenance.

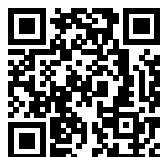

Gray Marble and Stone can restore floors to their former glory using a combination of the best in both traditional and modern restoration techniques.

Fire surrounds can discolour and get damaged with years of use, Gray Marble & Stone can repair and restore them whilst still in your home. Family memorials and headstones can also be carefully and sympathetically cleaned and restored. Gray Marble and Stone offers you a complete cleaning and restoration service. We cover the whole of the U.K Free site surveys and quotations available on request. <http://graymarbleandstoneuk.wix.com>
