South East, Berkshire Location https://www.freeadsz.co.uk/x-197268-z

Lovely vintage art deco style teapot in excellent condition with no cracks or chips. Wood's Ware was first made in the 1940's, and this range of crockery is cleverly styled and designed within the restrictions on production during WW2. There is lots of interesting information on it on the internet. Wood's made several sizes of teapot. This one is quite large, holding two pints, making it suitable for a family or tea party. The 2-pint version is harder to find than the smaller ones. £28
