The BR1 Coastal Jacket is your entry level day sailing jacket providing waterproof, windproof and breathable protection against the elements. The double cuffs, storm flap zip guard and drawcord hem restrict water entry so you stay dry.

The roll away fluorescent hood adds visibility as well as protection against rain. The two, fleece-lined pockets and collar keep your hands and neck warm in the cool coastal winds. Also, keep your sunglasses safe (and clean) in the sunglass pocket with a wipe on an elastic cord. This stylish jacket is as at home onshore as it is on the sea.
