Neonix Electrical Services Ltd are a domestic and commercial electrical contractors who are based in Caerphilly, South Wales. We provide bespoke electrical solutions to fulfill our customers needs. While we specialise in domestic electrical installation work, we do also carry out work in commercial premises. Our clients include private individuals, private landlords, commercial landlords, care & repair contractors, schools, commercial kitchens, restaurants, fast food restaurants, off licenses, automotive garages, holiday / residential parks, plumbers, builders, plasterers and also local government funded organisations. All our work is of the highest standard and we pride ourselves on offering a professional service to all our customers. Whatever you want, we can satisfy your requirements; from carrying out Inspection and testing to fault finding, maintenance and installation. We carry out all kinds of electrical installation work including the installation of complete showers, intruder alarm systems, telephone extensions and computer.
