Blue, metal action sofa bed. Hardly used and kept in a bedroom (this is a pet loving home but we have tried to keep the cats out of the bedrooms!). No tears, holes or rips. Still has all the labels in place together with material patch to co-ordinate. Metal action still tight. Mark on material under the cushions but not visible when in use and not on show when set up as a bed. Great for those extra guests - especially with Christmas coming! Being advertised by various means and, therefore, may have to withdraw if sold. Cash on collection. Tel: 07751986788 ;
