guru krupa Powder Coating Works is an advanced enviromentally safe method of applying a decorative and protective finish to a wide range of materials and products that are used byboth industries and consumers. The powder is a mixture of finely ground particles of pigment and resin, which sprayed onto a surface to be coated. The charged powder particles adhere to the electrically grounded surfaces until heated and fused into a smooth coating.The result is a uniform, durable, high quality, attractive finish. We offer a wide variety of colors and textures. We provide high quality with color that stands out from the rest!, Contact Number:+91-9879813210,E-mail:gurukrupapowdercoating@gmail.com,cus id :-
