Up for sale is my MacBook Pro I purchased new in 2011. This laptop got me through university and is still in great working order.

My partner and I have just purchased an iMac, hence this sale.

The item is located in Eton Wick, Windsor SL4 6JW.

Cash on collection.

Item will be sold as seen - no returns.

I have erased all content and reinstalled the latest Operating system, El Capitan. I am happy to put Microsoft Office on the machine if the buyer would like free of charge (rrp £90)

There are some light scratches and a small dent on the underside. The four rubber pads are missing from the base - These can be purchase on eBay for £0.99 with free postage.

I am asking for £500 ovno for the machine.

Any questions, send me a text on 07795153196.
