I have for sale a lovely sofa part leather, part material. The frame and arms are brown leather and seat cushions in a gold. The seats are deep and comfortable and the covers remove for washing. The back cushions are in a mixture of dark brown and gold. There is slight wear at the corner at the back, but when the cushions are in place this is not noticeable.

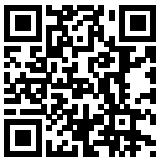

A great sofa, super comfortable and one that people always comment on when they visit my home.

The sofa comes with a large foot stool.

Items are not returnable and will require pick up from my home in Derby - available mid-November.

The sofa detaches into two for transportation.

Measurements: 8 feet 8" long to corner end which returns to 7 feet 9" to the opposite end. This sofa is advertised elsewhere;
