This YBR 125 is in very good condition and has done 12,000 miles from new. MOT until end of July next year. It has electric start and is very easy to ride. VERY economical with fuel. It has been well maintained and has recently had new tyres and front brake pads and a full service this spring. This bike has had a very gentle life and has always been garaged. My son used it for 2 years and we bought it from a lady rider in Hurst Green. It had one owner before her. Ideal first bike. Call 07918 154198 if
