

Honda CB 1980 (999 GBP)

Location **South East, East Sussex**
<https://www.freeadsz.co.uk/x-197806-z>

arrived in this stunning low mileage rust free 1980 Honda CB650C custom from the states showing just 6,700 miles, what an easy project this will make, just missing its air box/rubbers, rear lamp lens and one side panel. Tyres are well past it, brakes need looking at then a good service. We connected to a good battery, all the lights work, it turns over off the electric start, fires and runs when carb cleaner squirted in the carbs but no fuel cap key to put fuel in tank. The chrome on this bike is stunning apart from the silencers one side have been repaired well the other side need doing LH. Once moted you will be able to register onto an age related plate for £55 plus the road tax and DVLA will send you a V5 in 2 weeks. We may be able to deliver email post code for a quote and pay by card over the phone ring 07885 498007. We have 50 seventies project bikes in stock and another 20 due in reduced to £999 no offers to clear this week need.
