I am selling my Vauxhall Astra (Diesel). This is the 6 speed edition 1.3 CDTI late 2007 model (rare) Chain driven engine so no need to change the cam-belt. Never had a problem. Selling due to getting a new car, has been well looked after. 96k Mileage (most of it being motor way miles). Great little car and cheap on fuel and insurance. For more information. Please text/call me on 07753236153 Reasonable offers will be.
