My name is Martin and I am an AA Franchised Driving Instructor, providing AA Driving Lessons in Nottingham. I am a fully qualified Driver & Vehicle Standards Agency (DVSA) Approved Driving Instructor (ADI) and, working as an AA Franchised Driving Instructor, I provide lessons in an AA Driving School Car (Ford Fiesta 1.0L Eco Boost), which is replaced every year (with the latest car being provided in January 2015). Although I have taken on a few new learners in recent weeks, I do have some limited availability for lessons during the week (all my weekend slots are fully booked at the moment). I am currently focusing on NG8 and NG9 (as this is where most of my current learners live or work) but I also provide driving lessons in the Dunkirk and Lenton parts of NG7 (including students living on campus at the University of Nottingham) and the Nuthall part of NG16. In addition, I offer refresher sessions, motorway lessons and the Pass Plus course across Nottingham (NG1-NG16). I currently have the following introductory offers:- FREE Introductory Session (1 hour) Taster Session (2 hours for £25) - For brand new learners Assessment Session (£35 for 2 hours) - for learners who have already have some driving experience but have not yet taken a practical test. While I do not provide this session (or driving lessons) for people who have already booked their test, I do offer a mock test service. My standard PAYG prices are £35 for a 1.5 hour lesson and £45 for a 2 hour session (with the opportunity to reduce these prices to between £20 and £22 per hour, by purchasing a block of lessons in advance). Please visit my website ([www.licensedtodrive.co.uk](http://www.licensedtodrive.co.uk)) for full pricing details and details of the above offers as well as the services I provide (including my approach to providing lessons) and testimonials left by previous learners (who passed their test after learning to drive with).
