Student Computer Services - the 1st choice for Students!!!! As a Student money is tight.....and the last thing you need is an expensive Computer Repair. The chances are repairs at the shops will end up costing you a lot. We are not like the shops!!! We are a team of Academic Staff and Students who provide Student's with computer repair at Student Budget Prices!!! Student Computer Services is run by University Staff with the help of Students - and its a Service exclusively for STUDENTS!! Meet us in the Student Union, Library, Halls or on Campus. As the only dedicated Student IT Department, we are here to help from 6pm - 10pm (usually after lectures, seminars and classes). Step 1 - Book using our contact page, Facebook us, call or send a text or WhatsApp message with your enquiry or computer problem. Step 2 - We get back to you with an appointment slot between 1pm - 2pm or 6pm - 7.30pm and one of our Computer Rep meets you at the nearest Campus. Step 3 - Our Technicians carry out a Free Diagnostic Check after 7.30pm and advise you of the findings, best solution to fix and cost of repair. With every Laptop repair you get Free Antivirus software installed and Free Optimization and.
