A.S construction has been established for over 35 years specialising in Home & disabled adaptation works, basement design & construction and residential extension works. We have built a reputation of being reliable & trustworthy building contractors. We are part of the board of approved contractors list for Newham and work very closely with the council in regards to home & disabled adaptation works. We are now in the process of moving our services into neighbouring boroughs. As a measure of maintaining our standards as a leading & reliable building contractors we are members of elite building schemes such as constructionline, NHBC, The guild of master craftsmen and Trustmark.

A.S construction now have an in-house structural engineering & architectural team and offer a service of complete design & build for all types of works (whether that is loft conversions, basement conversion or new build structure).
 We offer free estimates for all.
