Toyota Corolla 2005 1.4 vvti Colour Collection, 48367 genuine low mileage, fsh, petrol, manual, 5 doors, electric windows, A/C, factory fitted cd/radio, all 3 original remote keys, abs, airbags etc. Mot until 27/04/2016 with no advisories. I have owned this truly reliable Toyota for four years now. It has been very well looked, serviced annually & garaged. Genuine reason for sale due to purchasing a van & don't need two vehicles. Recently had two new rear Goodyear tyres, fronts are still very good. Brake discs & pads replaced all round. Just been serviced with fully stamped service history, battery & fan belt replaced last service. Towbar was fitted to pull a small trailer occasionally. This car is in excellent condition throughout, drives lovely & needs nothing doing. I will be sad to see it go - Great car that will not disappoint! Never smoked in, seats are like new. Viewings/test drives welcome - £3495 ono ;
