here we have my mercedes sprinter 311cdi lwb van that is in immaculate condition only selling as down sizing the van has mot until april has roof beacons and a professional reverse camera the rear doors have amour plates over the handles the inside seats are in amazing condition as is the bodywork not one dent or scratch the rear loading area is carpeted also has chequer plating and a non slip rubber area to the front of it you will not be dissapointed with it ive just had new front brakes fitted also had spare keys cut including the one with chip. It was previously owned by a motocross racer who used it as his office,workshop and living quarters when he was out on the track.sadly the service book got lost but you can tell its been looked after last year it had a brand new set of injectors fitted so it measures zero on the emmissions;
