

Sukida SK 125 2008 (300 GBP)

Engine size 125

Description

Sukida Commissioner 125 - 4 Stroke.
When this bike runs it does so quite nicely just right now it's having some issues and I do not have the time she needs due to needing to move with starting new work asap. The bike needs new head stock barrings, Starter motor won't start but clicks when pressed, possible carb or throttle problem, snapped top box lock. Tax & Mot till next year. Needs fixing up a little bit but not too much off a job, looking for £300. 19908km
