

2006 Autotrail Dakota SE Motorhome. It is a 4-berth with a fixed bed at the rear, which has had a new 4-inch mattress topper added for additional comfort.

It is taxed until April 2016, and MOT'd until June 2016. The mileage is only 39,900, and is powered by a Fiat Ducato with a 2.8 litre Turbo-Diesel engine. The central bench seating area easily converts to a double bed. The driver and passenger seats swivel to face the rear if so desired. The upholstery is a blue / beige pattern, as can be seen from the photos. The central kitchen layout comprises a full-size 3-way fridge, oven, grill with a gas hob plus a good size sink and draining board. At the rear of the motorhome is a reasonable size washroom with a " Thetford Cassette " toilet, wash hand basin with mirror, and a fully enclosed shower cubicle, also of a good size. There is loads of storage space and

 <p>a good sized wardrobe, underneath which is a fire which runs off both Electricity or gas</p>	 <p>a good sized wardrobe, underneath which is a fire which runs off both Electricity or gas</p>	 <p>a good sized wardrobe, underneath which is a fire which runs off both Electricity or gas</p>	 <p>a good sized wardrobe, underneath which is a fire which runs off both Electricity or gas</p>	 <p>a good sized wardrobe, underneath which is a fire which runs off both Electricity or gas</p>
