GIBSON 345 STEREO 1967 ORIGINAL GUITAR. The serial number is 042087. I have been told that this dates the guitar as a 1967. I have owned this guitar for over 20 years, and I purchase it from a friend who I believe had the guitar for several years. The finish on the guitar has crazed with its age (as shown in the pictures). This is a very rare version of the 345 as Gibson only produced this colour for a short.
