Zenith Port Royale Elite Beautiful watch. Used but lovingly looked after. In really nice condition. No significant marks on case or glass. Glass unmarked. A few "hair-line" marks on case – from shirtsleeves. Clearly seen in photos but this is macro – in everyday not really noticeable. Keeps superb time. Currently with black leather strap with deployment clasp but comes with original tan strap & buckle.. This is a classic timepiece, understated elegance. A real collector's item but great for everyday wear. Zenith – they make the movements for Rolex! Original box & papers. Could post – very securely packaged, Royal Mail Special Delivery (guaranteed next day) Fully insured. Don't miss a great opportunity. Thanks for looking. ;
