Up for sale is my stunning very long black leather coat made by Charlie of London.

Not for shrinking violets, stand out from the crowd and express your individuality. You WILL be noticed in this coat. Great as a fetish/gothic statement piece.

Size is Medium, however as you can see from the photo's it is quite fitted through the sleeves and upper body, so here are some more measurements, taken with the coat laid flat:

Inside sleeve: 48cm  
 Outside sleeve: 66cm  
 Across shoulders: 50cm  
 Waist: 47cm  
 Overall length: 144cm

All measurements are approximate but should give you some idea of whether it will fit.

Two outside and two inside pockets. Used but in very good condition.

Selling because it's getting a little too snug for me sadly, so I'm on the lookout for something more.
