Bowen Therapy is a soft tissue remedial therapy that works over muscles, tendons, ligaments and nerve fibres to re-align, restore and re-balance the body naturally. A wide range of acute and chronic conditions have responded very well to Bowen Therapy, some of which includes: Back pain, sciatica; Neck and shoulder problems; Fibromyalgia and chronic fatigue; Hip, knee, ankle and foot problems; Menstrual, fertility and menopausal conditions; Pre- and post-natal problems; Respiratory problems; Repetitive strain injuries, carpal tunnel syndrome and tennis elbow; Sports and other traumatic injuries; Severe stress, feeling overworked and burnt out.;
