

Bose QuietComfort 25 - QC25 Black (170 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-199001-z>

Bose QuietComfort 25 brand new. The box includes all the accessories. Perfect for a noise isolation, it works with Apple devices with the cable in the box, but if you need to use with Android or other system I can give you also a different cable. The price is not negotiable, it's already the cheapest price you can find. Preferably cash on hands anywhere in the city, otherwise shipping in UK and PayPal payment. Contact me for any request or detail, via email or sms.
