Here for sale is my 2003 Suzuki SV650s.

I bought this earlier this year as I wanted a bike to see me through the summer without any problems and it has done this without fail.

Since buying the bike I have had a major service done at CMW, Chichester (local Suzuki dealer) which cost £421 and a pair of Michelin Pilot Power 2CT tyres which cost £252 and have very little wear on them. I also added a Danmoto exhaust and link pipe which makes it sound awesome, but the standard can comes with it as well.

The bike is in very good condition and has only covered a genuine 20,226 miles although this may well go up a bit as I still enjoy riding it.

The MOT expires on 10th April 2016.

The only downside to the bike is the grab rail has some paint missing as can be seen in the pictures but this is only a minor cosmetic issue.

The bike comes with 2 keys and V5 and I am looking for £1500 for a quick sale.

This is a great bike with surprisingly good handling and would make a brilliant commuter bike.

Cash on collection.
