I am selling my special edition RX8 PZ. It has only done just over 61,000 miles. It has service history from Mazda and Rotary specialists. No hot and cold start issue (the most important piece of information for any RX8) new car forces sale. The specification includes Air conditioning, Passenger airbags, six speed. Electric sports door mirrors, Battery changed end of April this year. Climate Control, Electric Windows (Front), Alarm, full black leather heated sports seats, Height adjustable driver's seat, Traction control, Bose stereo system, CD player with multi disc changer, multi function steering wheel, Prodrive twin exhaust system, 18" OZ Prodrive 10-spoke alloy wheels, Upgraded D585 ignition coils that come with lifetime guarantee. Metallic paint in Galaxy Grey, Rear spoiler. Blue interior lights. Personalized registration plate. Remote central locking and Power steering. Next MOT is due 28/09/2016. This is a superb sports car to drive and in good condition for the age of the car. It had a slight ding on rear passenger side and has slightly pushed rear light back but cannot notice also slight marks on alloys and a scuff on front.
